Thanks for coordinating with her at this stage and I'm fine with her reviewing at the final stage as well. My two goals for this letter are to demonstrate my respect for the AG community and not make any news.

I have conferred with Mandy and she agrees that we should draft an anodyne response.

I assume she will want to review prior to sending the response.

ARLO- This is the incoming letter I mentioned on Tuesday. I

apologize for not forwarding sooner. If folks could evaluate options regarding whether to respond I would appreciate it. While I do not expect I would respond on a substantive point by point level, I am not entirely comfortable not responding at all to this number of Attorneys General. Thanks, Kevin
